Hon. W. J. Hanna,

Provincial Secretary,

Parliament Buildings, Toronto.

Dear Mr. Hanna:

We wish to have a small gathering of those interested in the work of the new department of Social Science in the University to bring the work of the year to a close. We plan holding a meeting for this purpose in the Household Science Building next Friday, May 7th, at three o'clock. Would it be possible for you to be present that afternoon and give a short address ? I know that you are interested in the training of men and women for branches of civil service, particularly in the line of those social activities in which you are engaged. If you could say something on this matter it would be greatly appreciated by the University.

With kind regards, I am,

Yours sincerely,

President.
